Dear Friends,

Thank you so much for the wonderful "send off" fellowship time for me after the early worship service last Sunday! I know it took many hands to prepare and set up all of the treats, and I greatly appreciate everything that was done. Many of you have been very supportive workers with me in countless activities during these past 59 years, and I will miss each of you very much! But what is interesting to me is seeing how God, even at this moment, is raising up a new group of workers who are eager to fill all the necessary roles to continue to make Hope a place that wants to reach out and care for others. May I also point out that Lancaster is not really that far, and after June 25, my door will be open for visitors!

Betty Scheich

thank you

Still in June...
