**Do you own your own business?
Do you know someone
who owns their own business??**

Hope Lutheran School has been approved to receive scholarship funds under the Education Improvement Tax Credit (EITC) program administered by the Department of Community and Economic Development.

This program allows businesses to direct their tax dollars to *need based* scholarships.

What does this mean for Hope? HUGE GOOD THINGS!

EASY MONEY

Financial support in *any way* helps us continue our mission of showing Jesus' love!

If you own a business, or know of someone who owns a business, **PLEASE** ask if they would be interested in donating to Hope Lutheran School in exchange for a tax credit to be applied to their 2018 PA Income Tax return?

OR need it explained in detail to understand how important this can be for Hope?
