Announcements For Worship

In effort to help with our worship services and to maintain their worshipful character, the Board of Elders came up with the following guidelines:

If you have an announcement for Sunday morning worship...

1. Please do your best to keep it to 30 seconds or less. If a longer announcement is necessary, please speak with Pastor Rich by the Thursday prior, by 5pm.
2. Make every effort to use a microphone if one is available.
3. If the announcement applies to both services, but you can only attend one, please find someone who can give the announcement at the other service, and inform him/her of the first 2 guidelines. Thank you.
