HOPE LUTHERAN CHURCH & SCHOOL

ST

Welcome to Worship

I was glad when they said to me, "Let us go to the house of the LORD!"
Psalm 122:1

We are glad to have you in worship and we are glad to worship together. Following governmental directives and in the interest of providing a healthy environment for all who come, we are implementing a number of changes to our **worship routine**:

- Everyone is encouraged to wear masks as you come inside the building
(masks will be provided if you do not have your own)
- Hand sanitizers are available near the entrance of each worship area.
- Please maintain social distance from one another.
- Greeters will not shake hands.
- Please pick up your own bulletin.

Seating:

- Pews in the church are taped off to keep a safe distance. Chairs in the activity center will be distanced, and couples and families can be together.

For Holy Communion:

- Worshippers will approach with masks on and with social distancing.
- The Pastor and elders will sanitize their hands and wear masks.

After the benediction:

- Those closest to the exit will leave first, followed in order by the rest.

Offering plates and Fellowship Registrations will not be passed.

- Please place Fellowship Registrations and Offerings in the plate near the entrance.

Online recordings of each Sunday's service will continue to be provided, though the actual broadcast will be delayed by one week.

Holy Communion

We welcome to the Lord's Table all who are truly sorry for their sins, and desire His forgiveness; who believe that as we receive this bread and wine, we are also receiving the true body and blood of Christ; all who desire to strengthen their faith, and intend, with God's help, to live for Christ and follow Him. Participants may receive the blood of Christ by the Common Cup or individual cups. Non-alcoholic wine (white color) is available for who have sensitivity to alcohol. Gluten free wafers are available – please tell an usher early in the service. Children and those not communing are welcome for a blessing. Cross your arms over your chest to indicate you would like to participate.

We will have Holy Communion at both services throughout the pandemic

What's Happening at Hope...

Technical Team: Interested in audio or video, or want to learn about it? We're rounding up volunteers to help us with our online services. Please call Mark Shockey.

Hymns on Youtube: Our own Mark Shockey is recording hymns on the piano and placing them on Youtube. He plans to continue to record new hymns every two weeks. Sing at home or just listen. There is a pdf of the hymn, and a pdf of just the text in the video notes, in case that would be helpful. You can subscribe in order to receive updates but that isn't necessary. Feel free to share the channel with anyone you think might find it enjoyable. Here is the link... <https://www.youtube.com/channel/UCESNPsmMyv9HaFRdMLzliaQ>

OPERATION CHRISTMAS CHILD – November 16 – 22, 2020

Empty shoeboxes just waiting to be filled have been placed throughout the school lobby and narthex. Gift suggestions are: school supplies, such as pencils, pens, crayons, notebooks, etc. and non-liquid hygiene items, such as toothbrushes, bar soap, etc. A complete list of gift suggestions can be found by the shoeboxes. At this time, there are no changes from last year as to what can and can't be packed in shoebox gifts this year. You can choose a boy or girl (ages 2-4, 5-9 or 10-14) to receive your shoebox. Filled shoeboxes can be dropped off at any time and placed in the corner by the steps leading from the narthex to the school. The last day will be Sunday, November 22, when we will set them up at the altar for prayer. If you have any questions, please call: **Marjie Rodkey (215-949-1695) or Enola Cook at: (609-464-2366).**
